S/U GRADE OPTION

To receive an "S" grade, the student must be performing at a grade of "C" or better or a grade of "U" will be recorded. Neither the "S" or "U" grade is computed in the grade point average. Students must turn in the signed "S/U" option form by the 15th instructional day of the quarter. Check with Enrollment Services for the deadline or view online the Calendar of Important Dates. Once the choice for the "S/U" has been made, it will not be changed to a regular grade.
