

Welcome to the First Ever **Workforce Education Quarterly Newsletter!!**

Tacoma Community College's Workforce Education programs are dynamic in nature and we are excited to introduce a quarterly newsletter to share updates with our valued partners!

** News Alert: we now have a new funding option to support students in our healthcare field BAS programs!*

An exciting development in TCC's entry-level, career-focused programs was the introduction of an additional cohort of our one-quarter Emergency Medical Technician course, which we brought directly to Tacoma's Eastside neighborhood! We also are now offering an I-BEST EMT cohort for students who are not yet at college level. [Click here check out the informational video to learn more about the program.](#)

Did you know that at TCC we now guide our students according to Career Pathways? Stay tuned for our next newsletter to learn more about this!

TCC offers Professional-Technical degrees and certificates to help the students prepare for a new career, advance existing skills, or enter the job market. Our career programs are taught by professionals in their fields and supported by our business community.

Workforce has five funding programs:

- Basic Food Employment & Training Grant
- WorkFirst Grant
- Worker Retraining Grant
- Opportunity Grant
- Early Achievers Grant

Workforce Education assists with over 40 degrees and certificates including:

- Business and Logistics
- Information Technology/Cyber Security
- Healthcare
- Education
- Human Services
- Paralegal
- Pre-college courses, high school diploma, and English as a Second Language are also supported by our grants

Would you like a presentation for your staff or customers?

Please contact our Lead Outreach Navigator, Lorrie Ann @ lann@tacomacc.edu, 253-566-5247

Intake appointments are available virtually, in-person, and evening hours for students!

Application Workshops for fall quarter are shown below!

Students can scan QR code or visit our website to sign up!
