The Gallery at
Tacoma Community College

The Gallery at TCC invites western Washington artists to submit entries for a juried art exhibition.

Artists who wish to have their work considered should email three images of available work and a checklist, a resumé, an artist's statement, exhibition history and a $25 application fee ($5 for students). Entries will be judged by local artists and TCC art faculty based on quality and creativity. The resumé, exhibition history and artist statement will be used to produce didactic panels and are not a factor in jury selection.

Works need to be delivered by June 3, 2025 between noon-5pm. Delivery and pick-up of application materials and works selected for the show are the responsibility of the artist. We look forward to seeing your work!

Equity, Diversity, and Inclusion are core values of our institution. We recognize historic inequities and empower our community to challenge and overcome systemic barriers to create a campus and society where all people can be their authentic selves and are welcomed, heard, known, represented, and successful. As such, we actively seek to celebrate and highlight artists who are representative of the community we serve and who reflect and honor the diverse community in which we live.
