of Applied Science in Applied Management

DEAR CLASS OF 2021,

Congratulations on your amazing achievement!

Graduating from college is a major life accomplishment and personal achievement. Whether you earned a Bachelor of Applied Science or associate degree, a professional-technical certificate or a high school diploma, you should be proud. This is what you have worked so hard to achieve, and your hours of hard work and commitment have paid off.

This year, we know that accomplishing this goal is especially worth celebrating. Although we can't be together for a large, in-person celebration, we take enormous pride in your achievements and recognize how hard you worked for this moment. Your future is bright, and you graduate in a moment of history from which we have learned unprecedented lessons of bravery, sacrifice and resilience. We learned together, and we never gave up.

Go forth, Class of 2021. Take your hard-earned learnings and apply them well. Know the spirit of TCC will be with you always. You continued to reach for your goals, despite the obstacles, and you proved your ability to navigate the unknown. It was our privilege and honor to stand by your side. You have inspired us, and we will take what we learned from you to teach future generations of students.

Congratulations, Class of 2021!

Ivan L. Harrell, II, Ph.D.
TCC President

2021 SPEAKERS

MELISSA LITTLETON

YOLONDA WILLIAMS

Associated Students of Tacoma Community College (ASTCC) President Melissa Littleton is currently a student in TCC's Bachelor of Applied Science (BAS), Applied Management program. Born and raised in Tacoma, Melissa graduated from Mt. Tahoma High School. She attended UW Seattle for a short period, but dropped out. Melissa went on to start a family and grew her interest in business and entrepreneurship before deciding to return to school. She chose TCC because of the college's Business programs.

Since Melissa re-started at TCC three years ago, she has participated in a Global Logistics program trip to Vietnam, earned her Associate of Applied Science in Entrepreneurship, served as ASTCC President, won the inaugural William Factory Business Idea & Pitch Competition, and started her own business.

A student parent with four children, Melissa understands the difficulties her peers have faced over the last year and applauds the Class of 2021 for pursuing their educational goals despite the unprecedented challenges posed by the pandemic.

"Staying in school has become extremely challenging as different populations of students are experiencing turbulence in the job market, experiencing housing insecurities, finding themselves overwhelmed with homeschooling, and struggling with online learning," Melissa said.

Melissa commends the Class of 2021 for their admirable commitment to education and for their ability to adapt and stay the course. Warmest congratulations from Melissa and ASTCC!

Yolonda is a TCC faculty member in the Business, Health, and Professional Studies Division, teaching the business core classes in the Business and Logistics degree program. She has served in higher education since 1998 and has worked at multiple public and private colleges and universities. In 2012, she found her way back to Tacoma Community College and worked as the TCC Foundation's scholarship coordinator. She transitioned back into the classroom as an Adjunct Instructor with the Communication and Transitional Studies program from 2014-2017, at which time she transitioned to a full-time tenure track position in the business department. Professor Williams became a tenured faculty member in 2020. Over the past four years, Yolonda has grown tremendously as an instructor. She takes pride in her job, and works with her students' ability to learn and feel comfortable in her classes.

Yolonda is a first-generation scholar. She earned her Associate of Arts and Sciences degree from TCC, a Bachelor of Interdisciplinary Arts and Sciences from University of Washington, Tacoma, a Master's of Organizational Leadership from Chapman University, and a Master's of Project Management from Devry's Keller Graduate School of Management.

In her spare time, Yolonda owns and operates a fitness training business where she spreads the positive message of health and wellness. She is a Certified Group Exercise Instructor and Women's and Youth Exercise Specialist. She is an avid reader and has been a runner her entire life. She loves spending time with her family and binge-watching Korean melodramas on Netflix. She has public poetry floating around the Internet and hopes to one day publish a complete book of her work.
