

2023
COMMENCEMENT

June 17, 2023

Tacoma Community College
tacomacc.edu

WELCOME, Class of 2023!

We are so excited to be with all of you on the best day of the academic year. Commencement is a day to celebrate your accomplishments with friends, family, and the TCC community, and it's wonderful to be able to celebrate it right here on campus.

As you can tell from the program, our 2023 graduating class reflects the scope of the education we provide here at TCC. You'll see graduates who have earned high school diplomas, some through dual enrollment programs such as Running Start, and some as adults who have returned to school to further their education and careers.

You'll see graduates who have earned employable certificates, and graduates who have earned degrees that have prepared them for careers such as nursing, community health, and business management; and graduates who have earned transfer degrees that will provide the foundation for advanced degrees. We're proud that we can support progress toward all the aspirations and dreams that can be found in our community, no matter where our students are starting from.

The Class of 2023 includes graduates from all over the world, as well as graduates who stayed close to home. Friends and families of graduates, whether you're watching online or attending in person, we are delighted that you could be here to celebrate with us. Thank you for everything you've done to help our graduates reach this important milestone.

Congratulations, graduates! I'm so proud of each and every one of you. Enjoy your day.

Ivan L. Harrell, II, Ph.D.
TCC President

Madeline Sprute, Student Speaker

Jillian T. Edwards, DNP, Faculty Speaker

Wendy Jackson, Staff Speaker

Recommendation of Graduates

Marissa R. Schlesinger,

Provost and Vice President, Academic Affairs

Conferring of Degrees

Pat Shuman, Chair, Board of Trustees

Congratulations

Ivan L. Harrell, II., Ph.D., President

Recessional

TONY LINDGREN

DISTINGUISHED ALUMNUS

Tacoma Community College (TCC) Foundation Board Member Tony Lindgren started his TCC career as a student, completing his Engineering program prerequisites and playing on the 1996-97 Men's Basketball team. Lindgren earned his B.S. in Civil Engineering from Washington State University in 2002 and graduated from the University of North Carolina at Chapel Hill's Kenan-Flagler Executive Leadership Program in 2014.

Lindgren is currently a partner at KMB Architects and serves on the MultiCare Health Foundation Board and the American Leadership Forum Board, as well as the TCC Foundation Board. He has been a member of the TCC Foundation Board since 2014, serving as President from 2017-2021, and will complete his term at the end of June. An exceptional leader and a great ambassador for TCC and the TCC Foundation, he has advanced many causes in support of our students, both at TCC and in the larger community. Lindgren has shown many in our community what it means to be an advocate, both for TCC and for Tacoma.

MADELINE SPRUTE

COMMENCEMENT SPEAKER: STUDENT

Madeline Sprute has exemplified academic excellence and leadership during her time at TCC. While taking online classes she heard about student government from a former student government executive officer and decided to apply. She served as Associated Students of TCC (ASTCC) President during the 2022-23 academic year.

During her term in office, Sprute advocated for students at the institutional, state, and federal levels. She was particularly active at the state level, where she wrote and lobbied for a student housing bill. As the 2023 Legislative Session progressed, key components of the bill were incorporated into a successful student housing program. Sprute also had an internship in Olympia during the legislative session, giving her the opportunity to further advocate for students and to do work that ties in perfectly with her career goals.

One of TCC's two 2023 All-Washington Scholars and a Top 16 All-Washington Scholar, Sprute graduates with a transfer degree this spring. She is currently studying Arabic and plans to finish her bachelor's degree in International Relations, earn her Ph.D. in foreign policy, and work in the field of policy development, helping to dismantle the racist legacies of colonialism that operate within international politics.

JILLIAN T. EDWARDS, DNP
COMMENCEMENT SPEAKER: FACULTY

Born and raised in St. Croix, U.S. Virgin Islands, Dr. Jillian Edwards dedicated her life to becoming a nurse at the age of eight, when she watched a Black woman provide care for her younger brother. Serving as a Nursing Professor and Associate Dean of Nursing at TCC has given her the chance to combine her two greatest passions: teaching and caring for others.

Edwards' family moved to Washington when she was 13, and she began her nursing education at Bates Technical College, where she earned her Licensed Practical Nursing (LPN) degree. She earned an Associate of Arts/Sciences at Pierce College, an Associate Degree in Applied Science of Nursing (RN) at North Seattle College, a bachelor's and master's in Nursing at the University of Washington Tacoma, and her Advanced Registered Nurse Practitioner (ARNP) and Doctorate of Nursing Practice (DNP) degrees from the University of Washington Seattle.

Edwards found her passion in emergency medicine, which she has continued to practice while working at TCC. As a nursing educator, she strives to eliminate systemic barriers that prevent all races and genders from going into nursing, to protect the community by providing the highest quality nursing education possible, and to empower others to give back and view life through an equity lens.

WENDY JACKSON
COMMENCEMENT SPEAKER: STAFF

Born in Tegucigalpa, Honduras, Wendy Jackson immigrated to Bremerton, Washington in 1998. She started English as a Second Language Classes at Olympic College in 2001 and graduated with an associate degree in 2003. That same year, Jackson became a U.S. citizen and began working in the Washington State Department of Corrections. She returned to school at the age of 42, earned her B.A. in Criminal Justice from Kaplan-Perdue University in 2012, and went on to work for the Department of Homeland Security's Transportation Security Administration (TSA).

Jackson started her career at TCC as a Campus Public Safety Officer in 2017. She currently works as a Data Consultant in Adult Basic Education.

Throughout her career, Jackson has continued to seek out educational opportunities. She recently completed the Nonprofit Management Leadership Specialization at the University of Washington Tacoma and founded a non-profit, the Wendy J. Jackson Charitable Foundation. Through the Foundation she launched the "Thriving Youth Program" (thrivingyouthprogram.org), which helps families in Honduras pay for education and education-related expenses for their kids.
