OLL 101 Success in Online Learning CC Approval: 05/15/2013		Min Credits	Min Hours		2013 Fall	This course will help students be successful in online courses. HIM 101 has been offered for a number of quarters which is the HIM programs course for teaching success in online learning - we get students from all disciplines who want in. This course is designed to be for all students, regardless of discipline. The prefix will actually be OLL 101 (Online Learning 101) so students will not think they are taking a discipline specific course.
