MARC 098 Tools for Mathematics Success CC Approval: 10/07/2013		Min Credits	Min Hours	2014 Winter	We have been offering MARC courses for a number of years. This course will not be specific to a level of math but will offer developmental student the opportunity to learn how to best learn math. We typically have about 160 students enroll in MARC classes each quarter and anticipate about the same enrollment as this will replace the other courses.
